SHIANE CARL R. ROBLAS

Naga City, Camarines Sur, Philippines
+639515978395 | roblasshianecarl@gmail.com

PROFESSIONAL SUMMARY

Motivated Bachelor of Science in Information Systems student with foundational knowledge of SQL, data analysis, and Python programming, along with experience in AI-driven workflow automation using n8n, Zapier, and Make. Experienced in administrative support, document management, and customer service through on-the-job training and part-time work. Eager to apply technical and analytical skills, learn new technologies, and contribute to organizational goals.

EDUCATION

Bachelor of Science in Information Systems
Naga College Foundation Inc.
2023 – Present

WORK EXPERIENCE

On-the-Job Trainee / Administrative Support
Naga City Hall | [25 Days]

- Prepared brief summaries of incoming letters, invitations, solicitations, requests, and other official documents for review.
- Assisted staff with daily administrative and clerical tasks.

Senior High School OJT Trainee – Python Programming
University of Nueva Caceres | Naga City, Camarines Sur [2023]

- Completed introductory programming exercises to develop problem-solving and logical-thinking skills.
- Practiced basic Python programming concepts and syntax during technical training.

PROJECTS

Naga City Crime Surveillance and Prevention Dashboard | *SQL, Power BI, Excel*

- Processed and structured municipal crime dataset spanning November 2025 to June 2026 using SQL and Excel to identify trends and reporting patterns.
- Built interactive Power BI dashboards featuring barangay-level hotspot mapping and case status tracking to support data-driven public safety decisions.

Naga City Dengue Surveillance & Outbreak Control Insights | *SQL, Power BI, Excel*

- Modeled epidemiological and environmental datasets using SQL to track dengue case rates, hospitalizations, and local rainfall correlations.
- Designed an executive Power BI scorecard monitoring case severity and geographic distribution to assist healthcare response and outbreak control planning.

SKILLS

I can master anything within short period of time if guided properly!
